THE THEME for the June recital has now been set, and it's "A Night at the Museum." Teachers will soon be working on choreography, and seamstresses the costumes.

Regular attendance is so very important for dancers and classes to be able to do their best on stage. Please make an extra effort to ensure your dancer comes to class so that they know their dance routine and can perform it with confidence.

SUMMER CAMP: Our popular dance camps will run during the summer!

We offer various camps for ages 3 years and up.

Dates, fees and other details to follow soon.

Watch our website for updates, and for postings on our bulletin boards at the studio.
